rosso + giallo

=

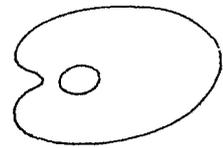

azzurro + rosso

=

giallo + blu

=

Noi siamo il rosso e il giallo,  
facciamo insieme un ballo,  
e per combinazione  
vien fuori l'arancione.

Noi siamo l'azzurro e il rosso,  
giriamo a più non posso,  
uniti con affetto  
formiamo il violetto.

Noi siamo il giallo e il blu,  
ci rincorriamo su e giù;  
ciascun dei due si perde,  
e salta fuori il verde.
